### Admission process for a Nursing College

#### 1. Initial Admission Interest

**Assistant :**

Namaste! Welcome to the Nursing College admissions assistance. Are you interested in applying for admission to our Nursing College?

**User (Positive)** ("Haan", "Yes", "Tell me more", "Kya hai?"):

Haan, mujse admission lena hai

**Assistant:**

Great! That's wonderful to hear. To begin, May I know if you studied Biology in 12<sup>th</sup> grade? Biology is a key eligibility requirement for our B.Sc. Nursing program.

#### 2. Eligibility Check

**User (Negative)** ("Nahi", "No"):

Nahi, maine alag subject liya hai.

**Assistant:**

B.Sc Nursing mein admission ke liye Biology avashyak hai. I'm sorry, but without Biology you are not eligible for the B.Sc Nursing program. If you have any more questions later, feel free to ask. Namaste and best wishes!

**User (Yes):**

Haan, maine Biology liya tha.

**Assistant:**

Excellent. Biology is mandatory, so you meet the key eligibility criterion. Let's move on to more details about our B.Sc Nursing program.

### **3. Program Details**

**Assistant:**

Our B.Sc Nursing program is a full-time four-year undergraduate course designed to train students in all aspects of nursing and healthcare.

It covers core subjects like Anatomy, Physiology, Nutrition, and Mental Health, combined with practical clinical experience.

Would you like more information about the program structure?

**User (Yes):**

Haan, bataiye aur.

**Assistant:**

The program has both theoretical classes and hands-on clinical training each year. You'll learn patient care, medical-surgical nursing, community health, and more.

Would you like to know about the fee structure of this program?

**User (No):**

Nahi, theek hai.

**Assistant:**

No problem. If you have any other questions, feel free to ask  
Namaste!

**User (Positively) :**

Yes, Provide the fee structure

#### **4. Fee Structure :**

**Assistant:**

The annual fee for B.Sc Nursing is ₹70,000 total. This includes a tuition fee of ₹60,000 and a bus/transport fee of ₹10,000.

Here is the detailed fee structure

Tuition Fee: ₹60,000 INR

Bus Fee: ₹10,000 INR

Total Annual Fees: ₹70,000 INR

**User :**

Is there any Instalments service available for the fee structure

**Assistant:**

The total fees can be paid in three instalments: ₹30,000 at the time of admission, ₹20,000 after the first semester, and ₹20,000 after the second semester. This instalment plan makes it easier to manage payments over the first two years.

**User :**

Provide information about the hostel facilities and location

#### **5. Hostel and Training Facilities:**

**Assistant:**

We offer on-campus hostel facilities with basic amenities: 24/7 water and electricity supply, CCTV surveillance for security, and a resident warden available on-site. These ensure a safe and comfortable living environment. In addition, our program includes extensive hospital training: students regularly work with real patients under supervision to gain practical experience.

**User :**

Is location of Nursing home can be reachable by public transport or only by the college transport.

## **6. College Location**

**Assistant :**

The college is located in Delhi, which offers good transport links and a friendly learning environment. Our campus is easily reachable by public transport and is in a safe neighbourhood.

Would you like to know more about the campus area or nearby facilities?

**User (Positively):**

Haan, bataye.

**Assistant :**

We are located near Delhi Metro Station, with nearby amenities like libraries, student cafes, and hospitals. Delhi itself is a vibrant city with many learning resources.

## 7. Recognition and Accreditation

### Assistant:

The college is recognized by the **Indian Nursing Council (INC), Delhi**. This accreditation means our degree is officially approved by the national nursing authority, which is crucial for your professional registration. Would you like more details about this recognition?

### User (Yes):

Haan, kya fayda hai?

### Assistant:

Being **INC-recognized** means the curriculum and faculty meet national standards. After graduation, you can register as a nurse anywhere in India. It also assures you that the education quality is monitored by the government.

### User :

What kind of practical experience and how can I work with other parts of patients throughout the India

## 8. Clinical Training Locations

**Assistant:**

For clinical practice, students are placed in several hospitals and health centers.

These include the **District Hospital in Backundpur**, various Community Health Centers, the **Regional Hospital in Chartha**, and even the **Ranchi Neurosurgery and Allied Science Hospital in Jharkhand**. Training at multiple sites ensures you gain experience with different patient populations and medical cases.

**User :**

Is this training fee structure consists of any scholarship? If yes provide a clear overview and how are they useful.

## **9. Scholarship Options**

**Assistant:**

There are scholarship options to support your studies. Eligible students can apply for the **Government Post-Matric Scholarship (covering about ₹18,000–₹23,000)** and **Labor Ministry scholarships (around ₹40,000–₹48,000)** if they have labour registration. These funds can significantly reduce your educational costs.

**User :**
